"Dusk came down; or grew up out of the sands and the sea; or curled around us from the curling docks and the bloodily smoking sun. The day was done, the sand brushed and ruffled suddenly with a seabroom of cold wind."

Dylan Thomas - "Memories of an August Bank Holiday"

So for us, too, dusk comes down; grows up; curls around. It is the dusk of four long years that have slowly, suddenly; reached their closing moment. The day that was Mohawk High School is done, the sand that was ourselves and our fellows is brushed and ruffled suddenly with a seabroom of cold wind as each is scattered unto his own direction and ultimately, his own destiny. Here captured in word and picture, is a final, graphic memory of that moment, 1966-1967.

Dedication

For the class of 1967, the memorable days at Mohawk have come to an end. Through-out our twelve years of formal education, there have been many dedicated persons who have devoted their talents and energy to teaching and preparing students for the future. Most have received little or no recognition for their efforts. It is with honor and pleasure that we dedicate this annual, the 1967 edition of the Mighty Mohawk to Mrs. Geneva Brandt whose English class and Latin class with its colorful banquet, slaves, and program will long be remembered.

JAMES W. SMITH

To the Class of '67

During the past four years you have built a foundation for your life in the future. Your performance over the years indicates that you have built a strong foundation but no one can afford to rely on his past laurels. The true test of how well you prepared yourself will be a long-range one. The results of this test will be the accomplishments and successes that you will achieve during the rest of your lives.

Always remember that the faculty at Mohawk High School is interested in you even after graduation and are always willing to confer with and advise you concerning the situations and decisions that will confront you in the future.

Richard A. Verhoff,
Principal
Mohawk High School

Superintendent Mohawk Schools

Members of the class of 1967, you have now completed your public education and will be making important decisions for your future.

You are invited and more than welcome to return to Mohawk at any time. Your school will continue to offer services to its graduates whenever requested.

Best wishes for success and happiness to the class of '67!

The sounds of music floated gently through the halls as the vocal department prepared for their many programs of the year. These included a Thanksgiving assembly by the select chorus, a Christmas program of traditional songs by the mass, mixed, ensemble and select chorus, and the Spring Concert in which the vocal department teamed up with the instrumental department. The last performance for graduating seniors came when the chorus sang at Baccalaureate.

During the month of February, Mohawk High School had the honor of hosting the District Music Festival which was under the co-chairmanship of Mr. Cassidy and Mr. Culver. This is a meeting of the better students from twenty-five schools in the southern half of

the district. After practicing all day the participants presented a concert for the community.

During the month of March, the Mohawk Select Chorus received a II rating at the District Contest at Clyde.

Fifteen Mohawk Students also participated in the solo and ensemble contest at Port Clinton on March 4.

The Ensemble, one of the more active and well-known groups, has presented numerous programs for various churches and service clubs.

The music department wishes to recognize those graduating seniors and to wish them continued success in the future.

FHA Girls Climax Year with Style Show

The FHA had a very busy schedule this year. This summer the girls went to Cedar Point and held a swimming party with the FFA. The girls sold mums at Homecoming and scented candles at Christmas. Also at Christmas time they made taffy and sent it to the boys in service.

They attended Career Day at Ohio State University and the County FHA Meeting in Carey. They also toured Marion Beauty Academy, Tiffin University, and the Tiffin State Hospital where they had a Christmas party for some of the patients. A safety meeting was also held in cooperation with the FFA. A style show "A Walk Through Fashion" was also given for the public.

The girls observed FHA week, and six girls attended the State FHA Convention, where the club received the Award of Merit. Those attending were Lyndel Fry, Terri Kimmet, Nancy Kiesel, Kay Houdeshell, Betty Ogg, and Irene Miller.

Debate Team Added to Mohawk Activities

DEBATE TEAM

The newly-formed debate team of Mohawk High participated in three practice debates and two tournaments since its formation in February.

Upper Sandusky and Clyde competitors offered opportunities for practice and learning. The MHS team then met Bowling Green, Port Clinton, Lowell Jr. High, Fremont, Fostoria, and Perkins at the Ohio High School Speech League Tournaments held at Port Clinton February 18, 1967. Although their win-loss record was

0-6, the coach, Mrs. Hoppel, said that this was to be expected. "Debate demands hours of reading and preparation plus the skills of team thinking and speaking. These can only come from experience. And I am confident that in time we will improve."

The team was also scheduled to debate at the Heidelberg College Invitational Tournament April 8, 1967.

TEPEE TALES

The Tepee Tales became a mimeographed paper and was published twice monthly by the journalism class this year.

Sponsored by Mrs. Shaffer, the class also published the annual Christmas Book, the Spring Book, and most of the programs for activities.

Division heads for the newspaper were: Harry Melroy, head artist and football-basketball coverage; Mary Patterson, head typist; Denise Minter, art work and news coverage; Carol Baum and Karen Ahlefeld, News coverage; Donna Keller, Irene Miller, Julie Stover, and Janet Mercer, feature coverage; Irene Miller, Julie Stover, and Janet Mercer, typists; and Norm Smith and Charles Yambert, general reporters.

Y-Teen Day was celebrated May 4 at which time the twenty Seniors were honored at a breakfast held in the library.

The Thanksgiving and Easter Assemblies were presented by the Y-Teens. At Christmas the group decorated two Christmas trees for the school and sold Christmas cards to earn money for their various projects. In January all who participated in the card sale enjoyed a chili supper as a reward for their work.

Last summer the club was represented at the summer conference, held at Otterbein College, by Donna Burgderfer, and Janet Mercer.

The latter part of April the Club sponsored a school dance by planning a backward affair.

FTA Works to Provide Scholarships for Worthy Students

Mohawk's Future Teachers of America organization tallied 110 proud and active members this past year.

The organization conducted several activities throughout the year under the leadership of the club sponsors, Mrs. Brandt and Mr. Culver. These activities included the Mixer in the fall to acquaint the prospective members with the old members, the annual Chocolate Hour during which alumni returned to share their college experiences with the club members, the student teaching day, and the Silver Tea in the spring. The money received from club dues and donations given at the Silver Tea enables the club to give small but useful scholarships to the senior members who are entering the educational field.

The FTA has 28 senior members in its enrollment.

Honor Students Recognized by National Honor Society

The National Honor Society was organized to create enthusiasm for scholarship, to stimulate a desire to render service, to promote worthy leadership, and to encourage the development of character in the students of secondary schools.

Each spring, a tapping ceremony is held. In this ceremony new members are tapped, and they light their candles symbolizing their worthiness of this honor.

The emblem of the society is a keystone and a flaming torch which represents truth and knowledge. Each member pledges; "I pledge myself to uphold the high purposes of this society to which I have been elected striving in every way by word and deed to make its ideals the ideals of my life and my school."

Good Citizenship Honored by National Machinery Awards

There are many purposes for the National Machinery Citizenship Awards.

They award high school students for having good conduct, character, and moral outlook.

These awards encourage high school students to become more conscientious about their good citizenship, conduct, and proper attitude for becoming more responsible citizens in adult life.

They show the parents what their responsibilities should be toward their children and their children's education.

National Machinery Awards Night was March 14 at Columbian High School Auditorium. Dr. John A. Krout was the speaker and presented the awards. Winners from Mohawk were Bruce Way, who placed second among the boys and received \$750; Sam Litton, who placed third among the boys and received \$500; and Lucy Ward, who received \$100. for honorable mention.

Seated: Jackie Staib, Janet Palmer, Lucy Ward. Standing: Bruce Way, Samuel Litton, David Weininger, Tim Walton.

Underclassmen are honored, one selected for each 15 boys and one for each 15 girls, as possible candidates for the future.

Senior Success "The Importance of

The Senior Class of Mohawk High School presented "The Importance of Being Earnest" on November 11-12 in the High School Auditorium.

The play, a three act comedy of Oscar Wilde, is centered around Jack's hypothetical brother Earnest, a youth known for his wildness. Jack uses this brother as an excuse to escape his usual social standing. Later Jack's friend, Algernon, presents himself as Earnest thus complicating it further. Things become quite involved when Gwendolyn and Cecily find they are engaged to the same man. All problems are solved however in a quite unexpected manner.

Newly Formed Pep Squad Adds to School Spirit

PEP SQUAD

This year a new organization, the Pep Squad, was added to the list of activities at Mohawk. Its purpose is to support the athletic teams and to promote spirit at MHS.

The Pep Squad was organized through the Girl's Physical Education classes with encouragement from the coaches and a great deal of assistance from Mr. Smith.

A handbook was passed out to each of the 50 members stating their rules and responsibilities.

Standard dress for the group was black skirts and

white blouses, with red blouses for those forming a block M.

Dola Hartschuh was the captain of the Squad. Loretta Bloom, Mary Jane Nye, Vickie Klein, and Connie Smith served as a committee for each of the respective classes.

This group not only added color to the gymnasium but proved its purpose by boosting the MHS spirit 100%, and, with more improvements, it is hoped that this organization will be continued in the succeeding years.

Denise Minter Reigns As Homecoming Queen

Her attendants and escorts were: Senior, Donna Burgderfer and Tim Walton; Junior, Jo Cochran and Conley White; Sophomore, Jan Walliser and Larry Litton; Freshman, Donna Williams and Tim Bridinger.

Following the football game with Colonel Crawford, Queen Denise reigned over the Annual Homecoming Dance.

Mohawk Science Department Wins an Award

Mohawk High School was selected as one of the nine schools in the state who qualified to receive the FREDERICK G. KRECKER AWARD for having an outstanding science program in 1965-66.

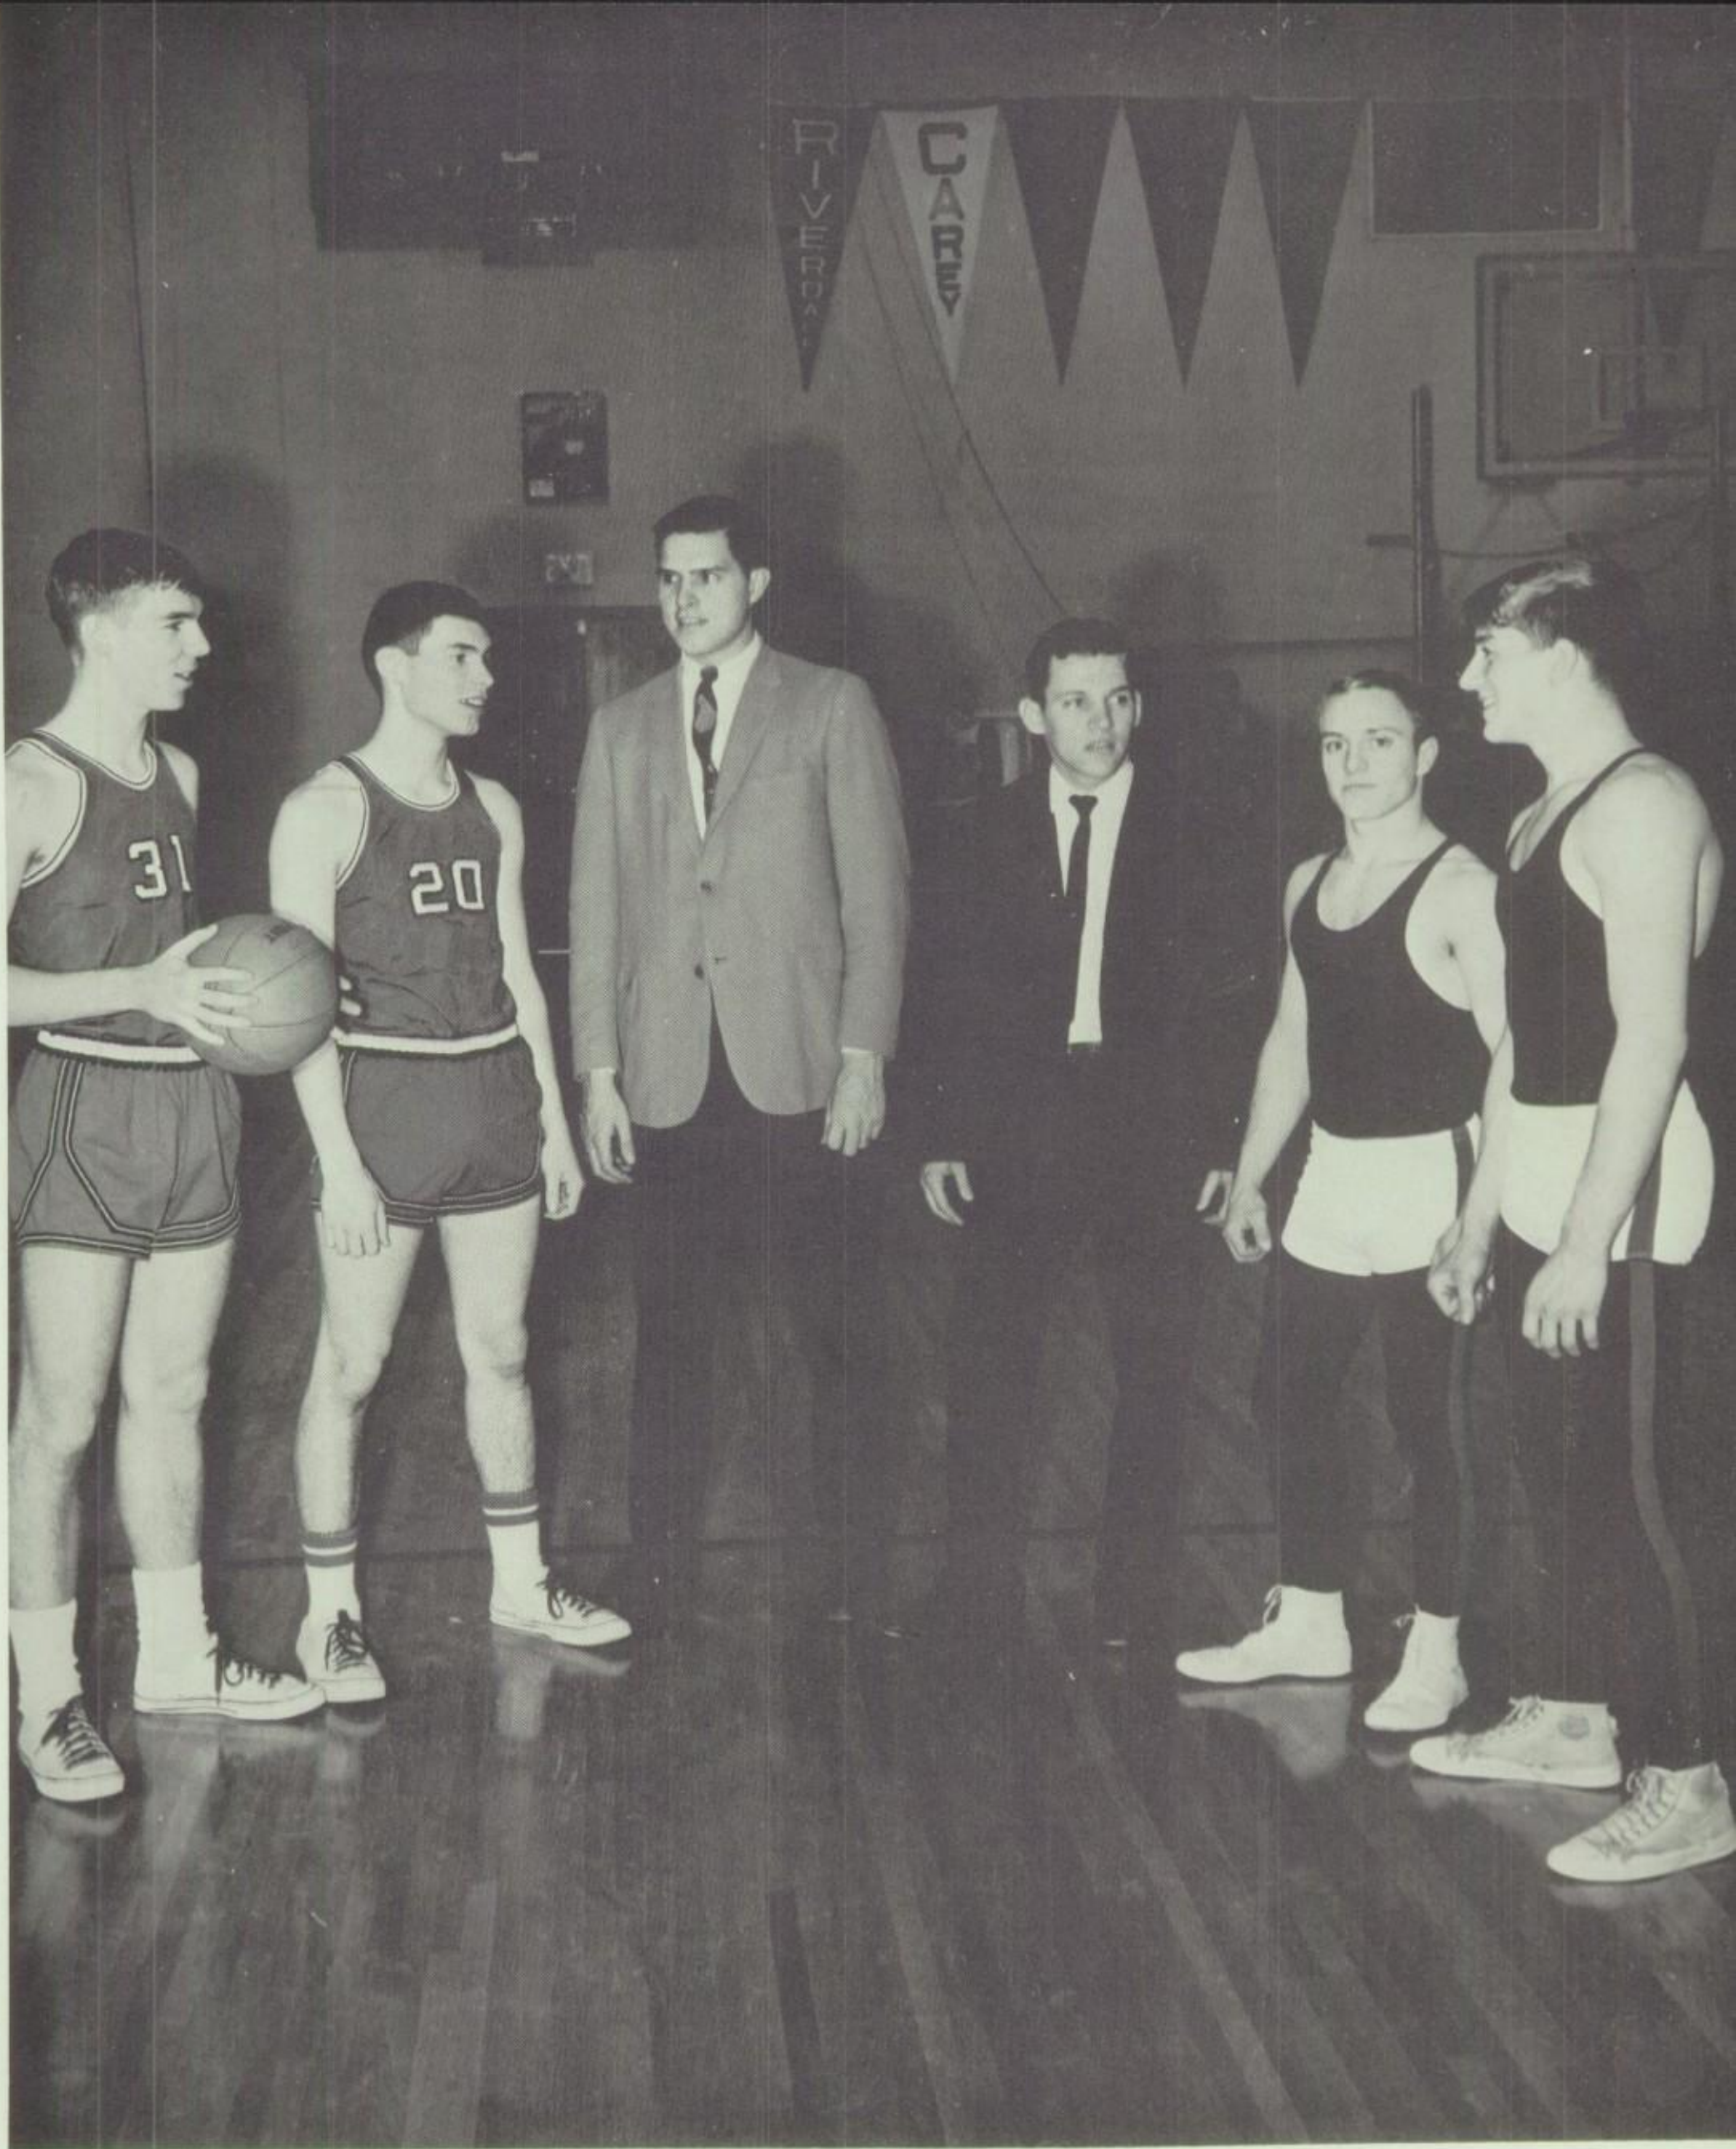

This award is given annually to no more than ten schools in the state of Ohio for their programs in furthering the advancement and interest in scientific study. It includes the training of the instructors, membership in scientific organizations, the building, the development and improvement of local Science Days, the ratings received by the students on their projects, and the number of students who have gone on into the scientific field of study beyond High School. With this placque goes an award of \$150 to be used for improving the science department.

Both Mr. Rayle and Mr. Hosler are to be congratulated for their efforts in bringing this honor to Mohawk High School.

This 1966-67 football season was one of the most successful seasons in the school's young gridiron history.

The Warriors wrapped up the campaign with 7 wins, 2 losses.

Ten seniors played in their final grid contests for the Mohawk Warriors; they were; Jake Moyer, Gary Simpson, halfbacks; Mike Bechtel, fullback; Jack West, quarterback; Gary Huffman, John Kiesel, guards; Tom Barth, Dennis Everhart, tackles; Harry Melroy and Dave Weininger, ends.

Mike Bechtel, chosen as the most valuable football player, topped the league scoring with 72 points. Coach Mrukowski singled out Mike as "the outstanding athlete on a team of outstanding athletes."

This year's coaches were head coach Bill Mrukowski, with Tom Newell and John Eaton as assisting coaches. Ed Marvich was Freshman coach and Bob Jaeck, Jr. High Coach. The managers of the team were Paul Glendening and Dana Yentzer.

Varsity Basketball Squad Carries Strong Underclass Potential

Six lettermen returned to form the nucleus of the 66-67 Warrior basketball squad, and what the team lacked in experience was made up for in hustle and the "never-say-die" attitude.

It's next to impossible to judge the team by the season's record, for though Mohawk took the short end of the rope for 12 games, while winning just 6, the Warriors finished only 28 points behind their opponents in total points scored.

Jack West, Tim Walton, Richard Harbour, and Denny Everhart are the departing seniors and will be greatly missed next year. Jack and Tim also were voted on the honorable mention list for All-League Laurels, while Jack West was chosen as the Most Valuable Player for the year.

Although the Warriors didn't always win, their determination and dedication have built a firm foundation for next season's squad.

Wrestlers Finish Well in Tourney

This year the matmen of Mohawk ended their season with a record of 6 wins and 6 losses. Coach Marvich said that even though the season record does not look very impressive, we must not overlook some of the fine accomplishments that a few of the Warrior grapplers achieved throughout the season.

Kenny Stockmaster, Team Captain

Brad Hufford, at 120 lb., went through the entire season remaining undefeated and compiling a record of 11-0. He also placed 2nd in the tough competition of the Toledo Whitmer Tournament.

Another Warrior matman who compiled a fine record was 145 lbs. Junior, Kenny Stockmaster, who ended his season with 10 wins, 1 loss. Coach Marvich stated that it is boys like Kenny that make a coach anxious for the next year's season to get underway.

Another Senior with a fine record, at 154 lbs., is Mike Osborn, who finished this season with 7 wins and 3 losses. Mike also placed 3rd in the Whitmer Tournament.

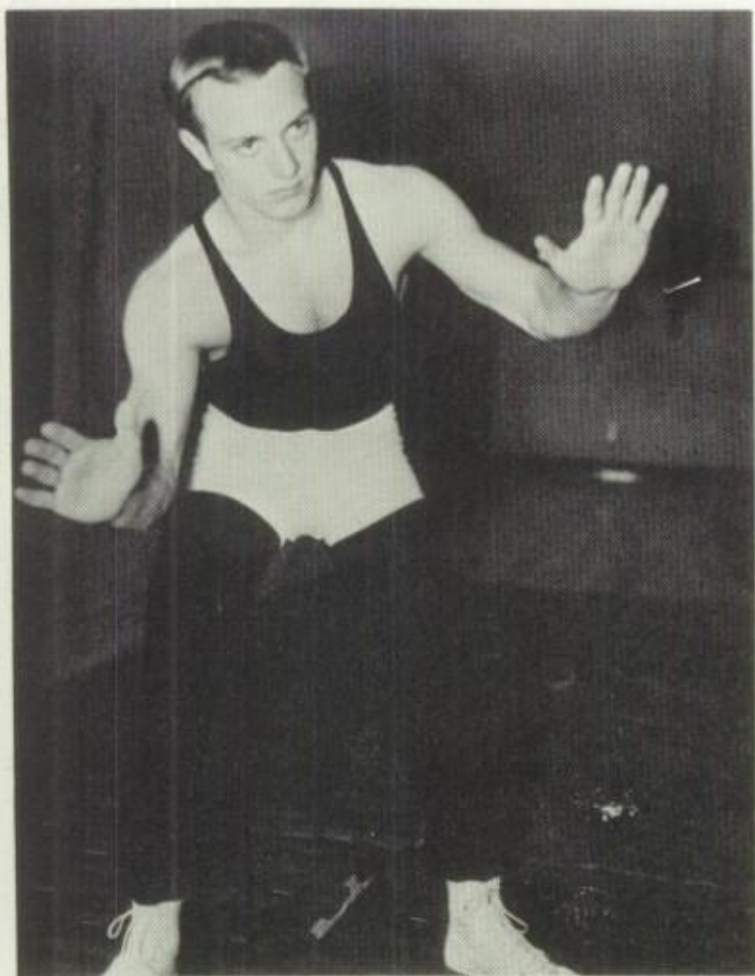

Senior Dave Weininger, 165 lbs., also did an admirable job in racking up 8 wins and 4 losses.

Mohawk's great heavy-weight, 225 lbs., Henry Brookes, has a record of 11 wins and 1 loss. Henry also placed 2nd in the Whitmer Tournaments.

Also, a word of thanks goes out to 175 lbs., Jake Moyer who came out late in his first year and did a fine job.

Coach Marvich stated that Mohawk is losing 5 of the finest wrestlers it has ever had and they will be greatly missed next year. However, with 17 Freshmen turning out, as well as 20 upperclassmen, next year should be a year with real excitement in store. Mr. Marvich also stated that his manager, Norman Cook, was a great and valuable asset for the team's success.

Baseball Warriors Win Runner-Up Trophy

When the baseball season rolled around, Coach Rayle was optimistic of the chances of a good season. With 10 lettermen returning and 22 other aspirants, things looked good. Of course weather was a big factor, which made postponed games pile up and this always is a factor in any High School baseball season.

Mohawk was undefeated in the North Central Conference until the last two games of the season when they were defeated by close scores and received the runner-up trophy finishing with a 7 won and 2 lost record. The overall record was also good with 9 wins and 5 losses.

Coach Gene Rayle having coached baseball for 20 years announced his retirement from the coaching field at the end of the season. His final words to the boys were "We have had some fine ball teams over the years and I know you fellows will have a fine team next year and the years to come. If everyone works a little harder than he is capable of doing no one can criticize you for a thing. Good Luck."

Tennis Outlook Bright with Many Returning Players

On April 18, the Warriors started the tennis season in fine style by defeating Crestline 5-2, and two days later on April 20 continued their winning ways by crushing North Baltimore 7-0. On April 25, the Warrior netmen met the tough Seneca's of Tiffin Calvert on Calvert's home court and met their first and last defeat of the year by the score of 5-2.

The following week the Warriors got revenge by defeating Calvert 5-4, in a very close, exciting tennis meet held on the Warrior Courts. Then traveling to Crestline the Warriors recorded their fourth victory in five outings. The final match saw the Warriors traveling to North Baltimore. Using all Freshmen and Sophomores the fifth victory of the year was racked up. The season's record was 5 wins and 1 loss.

Coach Marvich stated that he felt this year's success can be summed up in three words: enthusiasm, sacrifice and a keen desire to play tennis, which was very evident in the fact that these boys were willing to get up every morning at 6:30 to come to tennis practice.

The outstanding tennis player selected by the squad was Jack West. The only other senior on the squad was Tom Barth.

Mr. Marvich stated that with so many underclassmen on the squad the outlook for next year's tennis season looks pretty good.

The cheerleaders of Mohawk, including those of varsity football and basketball, reserve, wrestling, and freshman, have done a wonderful job of boosting the spirits of the Mohawk teams throughout the entire sports year. Win or lose, the boys were assured of a cheering section, led by our cheerleaders, that was behind them all of the way.

The nineteen cheerleaders have devoted long hours to practicing and developing cheers, preparing skits for pep sessions, and leading cheers at all of the games. Their support and encouragement have been an invaluable aid in achieving victory. The cheerleaders deserve the thanks and appreciation of the student body.
